I decided to stop thinking about things too much.

03

Hello, Aoki Ume here.
This whole thing feels kinda all over the place.
The cover looks normal, but once I got to it I just started drawing whatever I felt like and it ended up like this. Business as usual I guess.

This time's title is the overall theme of this book. I worked way too much, and I ended up being like "I just want to make a doujin without thinking about it!" or something like that. The idea just came to me out of nowhere. Ah, but of course I always put thought into it when I'm doing serious work. Nin nin.

As usual I've created a book filled with my random ideas, but I'll be happy if you can enjoy it even just a tiny bit.

I totally love Kaju-senpai and Stealth Momo so I had to draw a story about them!! ♥♥♥
Momo you're so so cute!! I love you!!! My next favorite character is Captain Taikei, and my favorite winning hand is a Tanyao. I always yell in excitement when I see it happen! It's just so awesome!!

[CANNAN]

OP- 「Mind as Judgment」
ED- 「My Heaven」

I loved Faylan's OP song in CANNAN as much as the one she did for Ga-Rei! The instrumental parts sound just like Ga-Rei's, but despite that it's still an awesome song~.

The ED is sung by Annabel, the same person who did Higurashi's ED. I love her songs way too much! I even went and bought her doujin CD♪ There's also another song she sang for Higurashi composed by Ikimei, who I also absolutely love! I just want to eat them up!

[K-ON!]

OP- 「Cagayake!GIRLS」

How does Toyosaki manage to make such cute songs!? Just listening to her sing puts a smile on my face♪ The lyrics sound just like something a high schooler would come up with, it's really fun to listen to.

I was surprised when I first saw how many words were in the lyrics. Toyosaki's singing is so smooth I couldn't even tell... Just what I'd expect from her!

[咲 - Saki -]

ED- 「Waiting for you in the world of Rectangles」

Too cute! The lyrics are awesome too!!
Who knew having a bunch of girls repeat Mahjong terminology could be so cute?
The way they say "Sucharaka ★" is just so cute!!!
Cute girls are wonderful!!!! I love their songs!!

[Tokyo Magnitude 8.0]

ED- 「Melody」

I can never stop the natural sounding voice in this song from impressing me. I really lo~ve it★
As far as anime songs go, Yuuki was definitely "moe moe" enough for it. I'd say that sums up my feelings about her [illegible] quite nicely.

アニメ'ング 2009

There's been a lot of anime I like recently, so I'll try to list some of them here. For some reason I seem to be biased towards the summer season's anime. I really liked a lot of them☆

Ah, I forgot to make a drawing of Bakemonogatari! I L-O-V-E Nagi's voice! It's a soft, but very human-like and very cute voice that's fun to listen to.

Ah, I loved ManiMani's OP too. I bought "Starry Sky and Harmonia", but I still haven't listened to it...! Argh, I'm writing too much aren't I!?

[Zan•Sayonara Zetsubou Sensei]

OP- 「Ringo Mogire Beam!」

Having guys sing the melody and girls to the chorus really brought out the girl's cuteness, I totally loved it☆
Ahhh, Kafuka's rough voice is too good...!
Kafuka was ridiculously cute in the OP animation too, that's the best I can describe Kafuka in that OP.

[Gintama]

ED- 「Wo Ai Ni」

I didn't really like this song at first, but after I heard it a few times I got more and more into it, and now it's one of my favorite songs. This song has both guys and girls singing together, and it makes the girls sound so much cuter than if they were singing by themselves♪♪♪

Happy Turn!

This page kinda hurts (lol)
This page is about that new candy from Kameda Confectionaries called "Happy Turn". It's super good and I really love it! Anyway, I decided to make a new mascot character "Happy-tan" for it. She's super cute!

Real Mascot→

I really like her, but recently a new mascot Turn Prince was introduced, and it looks like he's overshadowing Happy-tan. So I'll just have to try again with her some other time.

But you know, that new Turn Prince character's full name is "Prince Happy Turn Powderrich".

P-Powderrich...!!!
What a splendid name!!!!!

Be friends with Happy-tan, ok!?

This is the crinkly wrapping paper on each end of a Happy Turn candy!

An extra dose of Happy Powder!

After you finish eating a bag your fingers are covered in Happy Power! It's bad manners but I always have to go and lick my fingers clean!

Of course, I didn't forget about the letter H on her outfit! I-It's not like I'm talking about that kind of H though. ..!

H

"Girl Fight" is a manga by Nihonbashi Yoko. Her drawings keep getting cuter and cuter....!

Umm, it seems like someone made a reference to "Girl Fight!" with a drawing of Yuno from the first episode of the Hidamari anime... Then it found its way onto the internet where Nihonbashi saw it, and then she drew her own version of Yuno...

I have all of Nihonbashi's tankoubons, so when I found out about all that from a friend of mine I was really shocked and overjoyed at the same time!!!!! I super totally love Machizou!!!!!

I was so happy about it I started thinking about what I could do in return... and then it hit me! All of a sudden I thought "Hey! I'm making a doujinshi aren't I!?" so I gave drawing one of her characters a shot! I was pretty surprised at how little my art resembles the original's (lol).

Sorry for sounding like a crazed pervert talking about all this. I-it's fine though right? It's a doujinshi after all!!

Thank you
very much Hikawa!

This is also something
I wanted to make a page
about if I had time♥

I was super surprised when
I read what you wrote (lol)
Thank you sooo very much♥♥

Good evening, this is Aoki Ume speaking CalorieMate's maple flavor tastes so good. It wins the MVP award this time. It makes my mouth dry, but it just tastes so good.

I've been thinking this book is really going all over the place, but the two manga I drew both fit with the book's theme, so it's at least a little bit on track isn't it? Or is it just my imagination?

Ah, starting next page is an original manga by me As usual, I made it about a High School couple I didn't notice until halfway through, but the situation is almost exactly the same as the last doujin I drew. I really should've noticed that sooner It made me aware of just how much I like this kind of situation. Ahhh I'm so embarrassed

Thank you very much for taking the time to read the book I made this time! I hope that we can meet again somewhere!

See you☆☆☆

I WONDER WHAT PART OF ME IT IS THAT HE LIKES?

TOSAKI-SENPAI SAID HE LIKES ME, BUT...

Doesn't have a fever...
IT'S WEIRD THAT HE EVEN LIKES ME IN THE FIRST PLACE.
NO WAIT, HOLD ON A SECOND HERE...

SPONTANEITY - DOUJIN BY AOKI UME

HERE IT IS AT LAST! I HAVE A FEW NOTES IN CASE ANYONE IS INTERESTED, FIRST DOMINA NO DO AND NOW THIS, IS THERE SOME KIND OF CONSPIRACY TO MAKE ME WRITE MORE NOTES?

1. THE TITLE IS LITERALLY "HALTED THOUGHT" BUT IT'S USUALLY USED TO REFER TO ACTING WITHOUT THINKING, HENCE MY TITLE.

2. PAGE 12 - H CAN (AND IS OFTEN) USED TO REFER TO PORNOGRAPHIC MATERIAL, WHICH IS WHY AOKI MAKES THAT COMMENT ABOUT THE H ON HAPPY-TAN'S OUTFIT.

3. PAGE 13 - MACHIZOU IS THE MAIN CHARACTER FROM THE AUTHOR OF GIRL FIGHT'S PREVIOUS WORK. ALSO, THE THING AOKI IS TALKING ABOUT WITH HIDAMARI REFERENCING GIRL FIGHT WAS A RELATIVELY POPULAR MEME-TYPE THING LAST YEAR WHICH IS WHEN THIS DOUJIN WAS MADE.

4. PAGE 14 - HIKAWA (HIKAWA-SENSEI) IS THE AUTHOR OF PANI PONI DASH. I DON'T KNOW WHAT HE SAID, BUT I ASSUME HE COMPLIMENTED AOKI IN HIS NEWER SERIES MARO MAYU.

5. PAGE 15 - AOKI'S DOUJIN BEFORE THIS ONE WAS SQUARE, WHICH COINCIDENTALLY I ALSO DID BEFORE I DID THIS. YOU CAN FIND IT ON MY SITE IF YOU WANT TO READ THE MANGA IN IT.
